

## JOB VACANCY

We M/s **Hensel Electric India Pvt Limited** are 100% subsidiary of **Gustav Hensel GmbH & co Kg-Germany**. The mother company is 86 years old and based in Germany.

The company manufactures and markets high quality Industrial distribution systems made of engineering plastic. These are suitable for Industrial & corrosive environment. More about the company is available in [www.hensel-electric.de](http://www.hensel-electric.de) & in attached catalogue. The daughter company is based in India and we give technical support to South East Asian countries. We have resident technical sales engineers based at Jakarta, Kulalampur, Manila, Colombo, Kathmandu. Who works from their home and reports to India office.

The job involves meeting technical peoples from Industries, OEMs, builders, Govt sectors, Photovoltaic developers, all over Indonesia and promoting the product. We are now looking to expand our team in Indonesia & looking for a sales engineer. The job involves :

- 1) Meeting customers with samples & doing technical discussion/presentation.
- 2) Informing & educating customer about this new concept.
- 3) Meeting existing customer & checking for new requirement.
- 4) Meeting consultants & trying to get our specification in.
- 5) Discussion on international standards.
- 6) Will have to tour for minimum 15days/month in various towns of Indonesia.

What we are looking for.

- 1) Candidate who has completed 3 years diploma engineering in electrical/electronics/instrumentation.
- 2) Willing to work hard.
- 3) Can do basic communication in English, speaking & writing.
- 4) As the company is in growing stage in Indonesia so there is big scope for future growth.
- 5) Based at Jakarta/Surabaya.
- 6) Should have own motor bike.

What we can offer.

- 1) Consolidated salary to start with of 4mio- 5mio IDR/month. This will increase depending on performance.
- 2) Sales incentive, to be discussed in interview.
- 3) Daily meal expense.
- 4) Motor bike fuel expense.
- 5) Hand phone expense.
- 6) Internet expense
- 7) For touring outside base station company will pay Air/train fare. Hotel accommodation, food and conveyance.

Interview expected in 3<sup>rd</sup> week of October. Interested candidates may send their resume to [Indonesia@hensel-electric.in](mailto:Indonesia@hensel-electric.in) ( hand phone no 0812 8658 3125/ Ibnu Faqih)
