

Company Profile

PT. Guohua Taidian Pembangkitan Jawa Bali (GHPJB) is O&M services company for Jawa 7 Coal Fired Steam Power Plant (CFSP) which is established on October 26th, 2016. The Investment comes from China Energy Investment Group Co., Ltd. and the subsidiary of PT. PLN (Persero), PT. Pembangkitan Jawa Bali. It is located in Serang, Banten and will be the first 2x1050MW Ultra-Supercritical Power Plant in Indonesia in 2019.

GHPJB will rely on advanced power production management, and full integration to Indonesian culture to build an international first-class CFSP. We would like to have a team of highly qualified international talents to provide a safe, reliable, efficient, and environmentally friendly energy for social and economic development of Indonesia.
